BIBLIOGRAPHY OF FOLK-LORE, 1905.

*Compiled for the Council of the Folk-Lore Society
by N. W. Thomas.*

The bibliography includes only works and periodicals published in the British Empire in 1905. Important articles in non-folklore journals and works are marked with an asterisk; there is no attempt at giving a full index to them.

Proper names in square brackets in italics are those of tribes; otherwise italics signify that the objects named are figured.

A certain number of periodicals—*Science of Man*, *Madras Christian College Magazine*, *West Africa*, *Malabar Review*, etc.—are either not yet accessible or not taken in by any English library, so far as the compiler is aware.

* *

The compiler will be glad to receive notice of omissions. Copies of articles intended to be included in future issues may be addressed to the Secretary, F. A. MILNE, Esq., 11 Old Square, Lincoln's Inn, and should be endorsed *Bibliography*.
